Legion Hall Fire is Laid To Machinist

One Room in Building Scorched; Place Burglarized

ADMITS ACTS

'Few Drinks Made Me Crazy,' Prisoner Declares

Unable to explain his acts except to blame them on liquor, Elmer J. Stoops, 29, of 134 Park avenue, Daly City, a Southern Pacific machinist, was held in jail here Monday to face trial on burglary and arson charges after confessing he fired the American Legion hall at Daly City.

Stoops was brought to Redwood City late yesterday for questioning in connection with the fire which scorched one of the rooms of the Legion hall.

The defendant confessed, according to Deputy District Attorneys Richard Bell and Harold Anderson, Chief Jack Doyle, Officer E. L. Heim and Adjutant Ed Trier, that he made three trips to the hall Sunday night before firing the building.

On the first trip he entered the place by pushing through a bolted door.

"I played the phonograph, took the silverware, ladies' slippers, salt and pepper shaker, and two jars of preserves," the defendant told authorities. "On the second trip I brought a go-cart with me, but got nothing this time," he said.

On his last trip, Stoops confessed, "I poured the gasoline on the floor in what I thought to be the kitchen but later learned to be the bar.

"I lighted a cigarette and later threw it on the floor in the same room. The room was not on fire when I left but I knew that very shortly the fire would begin," Stoops is quoted as having told authorities.

"I had no reason for wanting to destroy the Legion hall. I belong to no organization or unions other than the Southern Pacific union," he said. "I have no malice toward this organization or any other. I respect the flag."

Stoops' only possible explanation of his acts came when he said: "Every time I have a few drinks I do crazy things like that."

The defendant is married and has three children. His parents reside in Utah.

He told officers he hid the bag of silverware in the grass at the Vista Grande School in Daly City. He doesn't know what he did with the dishes. One jar of preserves he ate and the other he gave to a neighbor, he said.

M'Grath Asks 'Yes' Vote On Port District

Telegrams urging the voters of San Mateo county to vote favorably on the proposed port district next Tuesday were received today by civic leaders here.

McGrath declares the formation of the district is absolutely necessary to give the government a legal body with which to do business. Gifts under the public works bill are dependent on having legal bodies to work with, McGrath said.

The congressman also urged a wet vote in the Eighth congressional district. He urged an "impressive majority" in favor of repeal.

McGrath's plan to come west and participate in a big county port rally Saturday was balked by an accident to his son.

R.C. Men Talk at Harbor Meeting At San Carlos

A meeting sponsored by the San Carlos Chamber of Commerce, and conducted in the city hall there, was held last night for the purpose of giving the public opportunity to hear about the county harbor district, which is to be voted on June 27.

Hiram B. Cook presided.

Among the speakers were Mayor Asa Hull, and the following from Redwood City: Carl Stoner, chairman of the San Mateo county harbor committee; Howard I. Wood, secretary; Elmore B. Hinman, county clerk, and George Merrill.

S. A. Keyston, San Mateo, and one of the three candidates for port commissioners, was also a speaker.

Courthouse Will Get Scrubbing 'Behind the Ears'

Scrubbing "behind the ears" of the interior of the county courthouse was ordered today by County Manager Walter T. Kellogg after viewing the dust and cobwebs in out-of-the-way windows, ledges and lighting fixtures.

Kellogg declared that the record will probably show that some of these spots have never been cleaned since the courthouse was built in 1906.

Painting is badly needed on the walls, framework, and window sills, but Kellogg declares there is no money for this purpose just now. He will paint the iron grillwork in the rotunda, however.

Eight to 10 unemployed workmen taken from the county rolls will do the work, which is expected to extend over a week.

Real Estate As Investment Is Supported

By DAVID D. BOHANNON
Realty Developer

The whirl of thought produced by the rapidly changing monetary and political outlook leads to a logical conclusion. We now require new yardsticks with which to measure values. It has been pointed out from conservative quarters that President Roosevelt does not intend to use the authority granted him to reduce the gold content of the dollar or increase the currency if it can be avoided. It is hoped that natural recovery will so rapidly develop that these extreme measures will never become operative. Therefore, we conclude we have reached the bottom of deflation and will rapidly see higher prices in all lines. On the other hand, if the recovery does not come up to expectations, no doubt the president will be forced to use the drastic policy of the inflation legislation to force prices up. Of course, we trust this will be controlled inflation.

In any event, who wants to have his money in bonds or cash in face of any kind of an inflation? We are faced with one positive conclusion—good real estate at present prices offers the safest vehicle in which to ride through the period we are now entering. The effect of recognizing silver will produce a volume of Pacific trade that will be directly reflected upon the commerce and industry of the Pacific coast. This will concentrate in San Francisco and the bay district vast industrial and shipping expansion. San Francisco is to be congratulated because of her outstanding position. Throughout the depression, San Francisco realty values have made most favorable comparison with any other large city.

Close to $200,000,000 in added payrolls is assured over a period of several years through the giant construction projects now under way. This in itself is sufficient to stimulate business, attract added population and increase sharply the conservative prices at which good realty can now be had. Add to this a concentration of industrial expansion and trade activity and the result is that new history will be written. This will obviously affect the entire bay region, and speed up the healthy growth of the peninsula, where already the navy's great lighter-than-air operations are showing distinct benefit. This is the forerunner of immediate expansion of aeronautical manufacture and operation, as the natural advantages of the area are outstanding.

The movement of industry to the West will insure development of the excellent harbor and industrial lands in the peninsula. This will be a further source of payroll and population, all of which will multiply the growth of San Francisco, further bolster metropolitan property values and rapidly make of San Francisco a New York of the West.

The informed and wise are now quietly acquiring real estate. There is no question that if we have inflation, good real estate will be the most desirable thing to possess. There are no board of directors to depend upon, changing capitalization or manipulation such as we know must be contended with in stocks. Real estate is positive. We are sure of receiving the full benefits accruing to it, and need not be concerned with the uncertainties attending most other forms of investment.

If we do not have continued improvement, we are certain to have forced inflation. We cannot escape from the cold fact that the only way we can lose is by staying on the side lines until it is too late to benefit by the hydraulically compressed realty prices of today.

Tax Fear in Harbor Plan Discounted

Port Commissioners in Statement to Public

SINGLE PURPOSE

District Needed if Gov't Aid is to Be Obtained

With the county-wide announcement by the three candidates for harbor commissioners that no taxes can or will be asked for the building of the proposed San Mateo county harbor and the complete change of front by which the Harbor Development Corporation of Belmont is supporting the project, organized opposition to the formation of a county harbor district in the election of June 27 has disappeared.

To still the unwarranted fears of taxpayers, which were aroused by misrepresentations, the three candidates for commissioners, who are Percy J. Shaw, general manager of the South San Francisco Land Company; S. A. Keyston, 141 West Poplar street, San Mateo, well-known business man, and Henry A. Beeger, extensive property owner and investor of Redwood City, have issued a public statement to the effect that they neither can nor will ask for funds through the county board of supervisors to build the harbor.

Stoner Tells Reasons

Speaking for the San Mateo County Harbor Committee which has sponsored the harbor campaign to date, Carl B. Stoner, chairman, said today:

"We absolutely cannot participate in the United States work relief funds under the terms of the public works bill for harbor development unless we have an official harbor district and a board of commissioners to make the formal application and be responsible for the dealings with the government.

"This is the sole and only purpose in desiring to have a district created at this time. Not one cent in taxes from San Mateo county is needed or wanted to build the harbor. The statements concerning increased taxes are simply errors put out through either ignorance or for other reasons. The best proof of this is the complete change of attitude on the part of the Harbor Development Corporation which engaged a well-known firm of lawyers to fight the project tooth and nail. After several conferences with members of the county harbor committee the company withdrew all its opposition, notified its attorneys to cease the campaign of opposition and asked them to support the formation of a district.

Now Convinced

"We are now convinced," said C. F. Guthridge, general manager of the Harbor Development Corporation and the Standard Dredging Company, 325 Central Building, Los Angeles, who was in the city this week, "that a successful vote to form the harbor district will be an advantage to us and to our project (Port San Francisco) at Belmont. We were misinformed and believed that the harbor commission would have control over our private lands and properties. Our attorneys have now given us an opinion to the contrary and we are satisfied this project should carry. I take full responsibility for the opposition which was created by the campaign put on by our attorneys through our orders. We are willing to do whatever we can within reason to overcome the effects of this opposition."

Trustees Pass Resolution On Public Park

Trustees of the Sequoia Union High School District adopted a resolution last week authorizing Redwood City to improve and maintain a portion of the Sequoia campus fronting on El Camino Real for park and playground purposes.

This action was taken following the suggestion of City Manager E. A. Rolison, which was made to the city council recently. The council at that time approved the idea, and negotiations between the city manager, City Engineer C. L. Dimmitt, City Superintendent of Parks George Hopkins and the school trustees resulted in last week's favorable developments.

PORT WILL NOT COST CENT OF TAX MONEYS

EDITORIAL

No taxes are needed or wanted for the building of Redwood Harbor!

To meet the terms of the Public Works Bill, in which the government will spend $3,300,000,000 to create employment and revive industry, there must be a legal harbor district to make application for the necessary funds and to be responsible for the project when completed.

Fortunately the Public Works Bill provides that outright grants of 100 per cent of the cost of approved harbor projects will be made. Redwood Harbor is an approved project. There is required only the formation of a harbor district to bring about the expenditure of $250,000 in construction work which will be an unemployment relief project of sufficient magnitude to help wipe out a large part of the unemployment in San Mateo County.

No money will have to be repaid to the government, no interest paid and no taxes. In addition, if the project is carried it will mean the completion of the first deep water harbor in San Mateo County and will provide the necessary basis for real industrial development as business improves. Business is improving right now. We should have the harbor completed inside of one year under the terms of the Public Works Bill and should then be marching forward in line with other progressive counties in the San Francisco Bay area.

Vote "Yes" on the project to form a San Mateo County Harbor District. It will not cost you one cent in taxes but it will eventually lower your taxes by creating new industries to carry a large part of the tax burden.

Kin of Hearne Gaining Fame As Barrister

James Hearne, the local dry-goods merchant, is a brother of J. J. Hearne, a noted lawyer in Dublin. The latter entertained the delegation from San Mateo county to the Eucharistic Congress at Dublin last year.

The Cork Examiner has this to say of Mr. Hearne:

A WATERFORD LEGAL LUMINARY

"Mr. John J. Hearne, B. L., legal adviser to the department of external affairs, who accompanied the French consul, M. Jean Vacher Corbiere, when the French minister plenipotentiary presented his credentials to the seanascal last Saturday, is a young Waterford lawyer, who has already tasted competence under two governments, and as he is still on the sunny side of 40, with plenty of ability and ambition, there is no knowing what exalted position he may yet occupy in the affairs of state. A son of the late Alderman Richard Hearne, politics is his natural arena, for his father, while building up a prosperous boot factory in Waterford, still found time to plunge deep into the storm of political agitation behind Parnell and Redmond. The loyalty he bore the latter was transferred to his son, the late Capt. William Redmond, and I remember it was inspiring to see that stoic old figure seated on the balcony of the Imperial Hotel while the captain's fine voice from a waggonette in front thrilled the multitude on the Mall. At those early meetings of Captain Redmond's candidature young John Hearne, who had then just taken his B. L., was giving his fellow-citizens a delightful taste of brilliant and impressive rhetoric. He later became parliamentary draughtsman under the Cosgravian government, and went to Geneva, where he amazed the savants with a paper on constitutional law and practice. Mr. Hearne is a brother of Rev. Father William Hearne, C. C., Dungarvan, and of Mr. Richard Hearne, who now controls the important boot factory of Hearne and Cahill, one of Waterford's main industries."

Horse Racing Proposal on Coming Ballot

San Mateo county, like other California counties, will go to the polls Tuesday for the June 27 special election, at which 10 propositions will be voted upon by the electorate. Perhaps one of the most important of those is the proposition to legalize horse racing in the state under the pari-mutuel system of wagering.

Unusual interest in the proposition is evident in this county because of Tanforan at San Bruno, where horse racing is being conducted and has been conducted for the past two years. Speakers for and against the propositions in various parts of the county agree that neither the passage of the racing proposition on the ballot, nor its defeat, will bring an end to racing in this state.

It has been pointed out the issue is whether or not racing shall continue unsupervised under the present system, or whether the state will take over the supervision and share in the profits, which will be used for the development of agriculture, thoroughbred horse breeding and education in California.

Noted followers of the kingly sport in this county have said to leave the racing business uncontrolled and unrecognized by the state, serves only to promote racketeering, such as sprung up under the 18th amendment. Authorities of states in the East, where horse race wagering has been legalized, and the pari-mutuel system adopted, point to a clean system of operation for an age-old sport. Experts have declared the pari-mutuel system the fairest plan of wagering known.

With interest among Tanforan fans at high pitch, management of the track has announced for tomorrow an unusually interesting program of nine races. There will be three handicaps with attractive purses, and which have drawn the finest mounts at the track as entries.

Renovize Plan To Be Subject Of C.C. Young

Public Meeting Here Friday Night Planned

ASS'N IS HOST

Improvement Project To Be Explained By Speakers

Former Governor C. C. Young and a group of speakers will bring purposes of the San Mateo county renovize campaign to the attention of residents of the southern half of the county at a public meeting to be held Friday at 8 p. m. in the be held tomorrow at 8 p. m. in the auditorium of the Central school on Broadway under the auspices of the Redwood City Promotion Association.

Young, who is chairman of the county renovize committee, will be the chief speaker on a program planned to show to residents of this district the advantages of the campaign now under way to pledge property owners to make needed improvements and repairs to their holdings at this time to benefit by low prices of labor and materials and thus to increase their value in addition to stimulating the biulding trades and associated industries.

Other speakers are Roscoe F. Byrnes, managing director, and Frank M. McVeigh, campaign director.

County officials, including members of the board of supervisors and County Manager Walter T. Kellogg, have been invited to attend the meeting.

W. H. Morrissey, president of the promotion association, will preside. He has issued an invitation to all residents of the southern portion of the county to be present.

Service clubs and other organizations of Redwood City, represented at the recent executive session at San Mateo, are co-operating with the promotion association in fostering the introduction of the renovize plan to this district.

PARK PROJECT IS APPROVED

Councilmen Agree to Sequoia Plan

Acceptance of the conditions laid down by the Sequoia board of trustees for use of a part of the Sequoia campus for a public park was voted by the council Monday night and creation of the park is to proceed at once.

The school trustees asked that the council take out liability insurance against injuries to any persons using the park, that the costs of upkeep be borne by the city, and that the park be for the free use of the public of the Sequoia district.

Sequoia trustees reserve the right to take away the park privileges at any time after 60 days notice, and the city has the right to terminate its agreement on notice.

The council accepted the Sequoia conditions on motion of Councilman Paul McCarthy, seconded by Councilman Charles Hildebrant.

The Greater South Redwood Improvement Club, in a communication signed by Secretary Maude Schafer, protested any plan to convert part of the campus into a commercial zone, declaring it "a perfect shame to mar one of Redwood City's most beautiful spots."

City Clerk B. E. Myers was instructed to inform the club that there is "no danger" of this being done.

Water Co. Files Its Corporation Papers

Articles of incorporation of the Redwood City Water Company have been filed in the clerk's office. The company is organized to purchase, sell, lease, control water lands, water rights, construct ditches, etc. It is to exist for 50 years and the principal place of business is at Redwood City.

Water Official Hit On Head by Golf Ball

Nelson A. Eckhart, manager of the San Francisco water department, was recovering today from the effects of a blow on the head by a golf ball suffered during a tournament at the Menlo Country Club. He was knocked unconscious by the blow, but is not seriously injured.

BELLE HAVEN SPOKESMAN BACKS HARBOR DISTRICT

Hearty approval of the formation of a San Mateo County Port District was voiced today by the Belle Haven Corporation, owners of extensive properties east of the city.

Attorney John W. Heaney of Santa Barbara, an executor of the estate of E. Palmer Gavit, owner of Belle Haven, endorsed the project here today after hearing its features outlined.

Heaney said the formation of the port district and the creation of a harbor capable of handling ocean-going ships was the dream of Mr. Gavit, whose death halted the furtherance of the Belle Haven project.

Council Urges Vote

An appeal to the voters of San Mateo county to endorse the formation of the proposed port district was voiced last night by the city council.

The port district was endorsed on motion of Councilman Paul Mccarthy and second of Councilman George McNulty.

The South San Francisco Chamber of Commerce, in a communication signed by Mayor J. P. Quinlan, informed the supervisors yesterday that the formation of a port district "is a most important and most essential step in the program of industrial development" and "does not involve any costs or financial committments."

SEQUOI A GIRL SCOUTS TO HOLD ANNUAL CAMP HERE

Sequoia district Girl Scouts are looking forward to the annual day camp which will be held on the Sequoia high school campus every Tuesday, Wednesday and Thursday from June 27 to July 20 between the hours of 10 a. m. and 4 p. m.

Miss Albertha Youker, director, who heads the staff conducting the camp, announces that the charge will be 10 cents per day, plus the cost of handicraft materials used. Lunches will be provided by Redwood City merchants co-operating with the Girl Scout council, and each girl is to bring her own bread, milk and fruit, and utensils.

There will be four troops, with not more than 24 girls in each. Leaders are Manzanita (10 years), Mrs. L. G. Schelling and Miss Helen Smith; Madrone (11 years), Mrs. John Mansbarger and Miss Elise Smith; Pine (12 years), Mrs. Florence Andrews and Mrs. C. A. Perry; Redwood (13 years), Mrs. J. S. Grepe and Mrs. M. L. Cossitt.

An American Red Cross examiner will be in charge of the swimming pool, and a first aid expert will be in attendance at all times.

A few of the camp activities will consist of making pottery, tin-can cookery, spatter printing, smoke printing, nature trails, map making, plays, weaving and woodcraft.

Girl Scout camp uniforms or wash dresses will be worn.

The day camp will observe open house July 20.

Information may be obtained from Miss Youker at the scout headquarters at the high school, telephone Redwood 1648.

COUNTY'S PROJECTS FOR FEDERAL AID SUGGESTED

County public works projects worth several millions of dollars, to be financed with federal aid, were tentatively approved Monday at a meeting in San Mateo between mayors and city engineers, the board of supervisors, and the county planning commission.

Further meetings will be held this week with various cities, and on June 29 Hugh R. Pomeroy, county planning advisor, will leave for Washington to present the county's program.

Four Groups

Projects discussed at yesterday's meeting came under four classifications:

(1). Public buildings.
(2). Harbors.
(3). Highways.
(4). Drainage.

Under buildings, an addition to the San Mateo county courthouse was discussed, and also the possibility of constructing a separate office building.

Also discussed as secondary were an additional wing at the Community Hospital, and utilizing of the third floor of the county jail for cells.

Port Development

Under harbor, Redwood City's port development was given first consideration and a yacht harbor for the northern end of the county was also proposed.

Highways included the Ocean Shore, Junipero Serra boulevard, Daly City bottleneck widening, La Honda and San Mateo-Half Moon Bay projects.

Under drainage, a proposed project was the extension of the Atherton-Las Lomitas system.

Planning Advisor Pomeroy explained the provisions of the public works bill, saying that 30 per cent of the cost of the projects would be borne free by the federal government and the 70 per cent will be loaned under a low rate of interest.

Joseph Cambiano, on behalf of the carpenters, said the proposed projects would mean a solution of the job problem.

Dates at which Pomeroy will meet various councils this week were set as follows:

Wednesday

11:00 a. m.—Redwood City.
2:30 p. m.—Daly City.
4:30 p. m.—South San Francisco.
6:30 p. m.—Burlingame.

Thursday

12 noon—Belmont.
2 p. m.—San Carlos.
4 p. m.—San Mateo.

All meetings will be held in the city halls of the various communities.

Suit Against McNab Loses On Demurrer

Superior Judge Mawell McNutt today threw out of court the $200,000 action filed by Marcellus Krigbaum, Burlingame realtor, against John L. McNab, prominent Republican and Robert Littler, Redwood City attorney, over alleged libelous statements attributed to them.

Judge McNutt sustained Littler's demurrer here today and did not give Krigbaum leave to amend his complaint.

Krigbaum says the asserted libelous statements were made in a complaint filed in San Francisco in 1930 over a deed to Arizona mining property. The woman plaintiff, Krigbaum says, dropped the action.

Names of President Roosevelt, former President Hoover, Archbishop Hanna and Josephus Daniels appeared in Krigbaum's complaint.

Public Works Projects Are Decided Here

An $80,000 storm sewer project and a $20,000 water system extension project for Emerald Lake will be the basis of Redwood City's request for federal funds under the terms of the national recovery public works bill.

This was virtually decided today at a conference between Hugh Pomeroy, advisor to the county planning commission, City Manager E. A. Rolison, City Engineer C. L. Dimitt and Mayor William J. Dusel. The matter was also discussed at Monday night's council meeting.

Pomeroy leaves for Washington next week to present the projects of the county and its cities to the proper authorities at the capital.

The storm sewers would be in various parts of the city. The government would put up 30 per cent of the cost and the city would be required to put up the remainder.

The water system extension, including a bigger main to Emerald Lake and a small reservoir, would be self-liquidating. The city recently took over the Emerald Lake system at the request of the state railroad commission.

EDITORIALS

PRIVATE SCHOOLS SHOULD BE EXEMPTED FROM TAX

Proposition number four, exempting non-profit private schools from taxation, to be voted for next Tuesday is purely an economic measure that should be supported by every taxpayer. Should these private institutions be closed and the pupils compelled to attend these public schools, millions of dollars would have to be raised to provide buildings and teachers. Better to exempt the taxes amounting to about $350,000 than pay out millions for school equipment. Vote "Yes" on proposition number four at the special election next Tuesday.

RILEY PLAN OUGHT TO BE BEATEN BY PEOPLE

The so-called Riley plan for the reduction of taxes known as proposition number one to be voted for at the special state election of next Tuesday is a monstrosity and should be defeated. Instead of giving the overburdened taxpayer relief it adds to his misery. It is the worst piece of legislation ever foisted on the people of the state. Let every property owner vote "No" on June 27. It's a vicious measure and ought to be given no consideration by the voter.

VOTERS SHOULD SUPPORT PROPOSITIONS 9 AND 10

The voter is urged to vote "Yes" on propositions number 9 and 10; diversion of the gasoline tax money is supported by every taxpayer in the state. This money should be diverted to pay the road bonds and thus save money for the taxpayer. The roads for which the bonds were sold are a part of the present road system and should be paid from the gasoline funds. Mr. Taxpayer, be sure and vote "yes" on both amendments, it is just, fair and equitable and will save the property owner money.

PENINSULA SHOULD AWAKE ITS RECOVERY OPTIMISM

We know that the spirit of the people is coming back after a depression that shook the bravest and broke the spirit of many. We know, too, that there is a revival of industry in the East. It is shown by facts and figures. We are told that being the last to feel the depression we'll be the last to feel the recovery. That is too fatalistic a philosophy to hug to our breasts. Is it too much to suppose that the recovery can be accelerated here on the Peninsula? We were bear optimists yesterday. Why should we be so unduly pessimistic now? We would suggest a conference of our chambers of commerce from San Francisco to San Jose to look the situation over. While two San Francisco bridges are being built to bring population to the territory east and north of San Francisco, the Peninsula is having a sound sleep. Wake up! We have too much at stake to drift while others are working and planning. We brought tens of thousands of enterprising outside people to the cities of the Peninsula because we sold them on its future. Let us keep faith with them.

Menlo Park

The Native Sons of the Golden West will install the officers-elect next month. The following were chosen at the last meeting of the parlor: C. T. Maloney, past president; Charles W. Cali, president; L. Borghini, first vice-president; J. Facchino, second vice-president; J. Fisher, third vice-president; F. W. Johnson, recording secretary; B. Larrecou, financial secretary; R. Midgley, treasurer; George Murray, marshal.

Mrs. A. Gale on Monday gave a shower to Miss Ethel O'Keefe who is to be married this month to Mr. Buchanan. Many useful articles were given the prospective bride. Numerous friends of the young lady were present to congratulate her and extend well wishes.

The Native Sons and Daughters will sponsor a dance tomorrow evening in the Family Club hall, near Santa Cruz avenue. It's an event that has been looked forward to by members of both organizations.

Constable Grill and family are on a vacation trip to Pitt River. They took a complete camping outfit and will fish for trout in that far off place.

A retreat under the patronage of St. Joseph's convent of the Sacred Heart for ladies will begin at the convent of the Sacred Heart on July 5 and continue for three days.

Dr. Joseph G. McGrath, chief surgeon of the Bellevue Hospital in New York, who was severely injured in an automobile accident last Monday, was widely known in Menlo Park, having for some time attended St. Patrick's Seminary. After leaving the institution he went to New York, later entering the medical profession. The doctor is a skilled surgeon.

Several flocks of wild pigeons are nesting in the Flood estate, something unheard of by the "oldest inhabitant" as the birds leave after the winter season for the north to rear their young. Robins, too, are building homes for their young. The country is changing, the people are different and the birds are altering their old customs.

As a matter of pure economy the voters are urged to support proposition number 4 at the special state election next Tuesday which exempts non-profit private schools from taxation. If the local parochial school would close, 150 children would have to be provided an education costing this district many thousand dollars. A new school building and at least six teachers would have to be provided. If the proposition is defeated numerous institutions throughout the state may close, thus causing more taxes, many times more times than the amount sought to be exempted. Vote for the proposition and relieve the property owner of more burdens.

The Menlo Park Circus Club will hold the annual horse show beginning June 24. The attendance this year will be larger than ever before. A splendid program is arranged for the amusement of all.

At their home in Menlo Park on Saturday evening Mr. and Mrs. Augustus Taylor gave a dinner, including Mr. and Mrs. Walter S. Martin, Mr. and Mrs. William P. Roth, Mr. and Mrs. Charles R. McCormick, Mr. and Mrs. Eli Wiel and Mr. and Mrs. Robert Dunham of Chicago.

The Rev. and Mrs. W. L. Bone of Menlo Park and their son, Gene, are passing a week at their Lake Tahoe cottage. Mr. Bone will return Sunday for services at the Menlo Park Presbyterian Church, of which he is pastor. His older son, Ewing, is here with his bride from Pixley, and will attend San Jose State College next month. They are established at the Bone home in Menlo Park.

Miss Fannie G. Burdick and her brother, Edward Burdick, have returned to their home in San Francisco after a visit in Menlo Park with Mrs. A. E. Blake.

Stanleigh Thomas of Corvallis, Ore., visited Menlo Park friends over the week-end. He is a son of Mr. and Mrs. A. E. Thomas of Corvallis, residents of Menlo Park for many years.

The supervisors at a recent meeting established polling places and appointed the following election officers to serve at the special state election on next Tuesday:

Menlo Park Precinct No. 1
Polling place: Trinity Church hall.
Inspector—Meta Kugeler.
Judge—Herbert R. Mayfield.

1ST SYMPHONY CONCERT OF SEASON NEXT SUNDAY

Launching the eighth season of open air concerts on Sunday afternoons during the summer in the picturesque Woodland Theatre on the grounds of the district school in Hillsborough, Richard Lert, distinguished European director, will conduct the entire personnel of the San Francisco Symphony Orchestra with Naoum Blinder at the concertmeister's desk, next Sunday afternoon, starting promptly at 3 o'clock.

Danish Pianist

The program will have the added interest of a soloist and the usual symphony will be replaced by a concerto for pianoforte and orchestra. Gunnar Johansen, the young Danish pianist, at present residing in San Mateo, whose regular Sunday evening recital broadcasts during the past two years have made his brilliant virtuosity familiar to the bay region music lovers, will play the Brahms B flat major concerto.

Lert arrived in the week from Hollywood where he is at present living, while his equally distinguished wife, known professionally as Vicki Baum, author of "Grand Hotel," presented on both stage and screen, is writing new scenarios for picture production.

Viennese Works

The last half of the program will be devoted to the works of representative Viennese romanticists and will include selections to be heard for the first time at these concerts, the orchestrations for which Director Lert brought with him.

The complete program follows:

1. Tannhauser Overture, Wagner.
2. Concerto for piano and orchestra, B flat major, Brahms.

Intermission.

3. Machtmusick, Neuberger.
4. Suite from Rosenkavalier, R. Strauss.
5. Overture from "Merry Wives of Windsor," Nicolai.
6. Tales from the Vienna Woods, J. Stauss.

Savings Made in Remodeling Old Jail

Savings of $84.68 were effected in the alterations at the old county jail, Purchasing Agent Ernest Werder has informed the board of supervisors, and these will be applied toward the cost of linoleum floor covering.

The cost of the linoleum will be cut to $313.77 as a result. The building is to be used as a juvenile detention home.

The Farm "35"

FARMERS: You are using many different methods of "cold" storage—screen coolers, stone houses and cellars, ice boxes, and ELECTRIC REFRIGERATION. To those of you who are NOT enjoying the proven advantages of all year 'round AUTOMATIC refrigeration, we want to explain some of the practical benefits of the new FARM "35". Custom-built for the average size farm, it solves the problem of heat-spoilage that is constantly wasting your food and money.

You already know the service and savings that domestic model ELECTRIC REFRIGERATORS have brought to millions. THIS Farm Refrigerator gives even more. The same dependable, uniform, cold EARNS as well as saves. Ample room has been provided for SALABLE PRODUCE. Dairy products, poultry, and "fancy" perishables, kept chilled and firm, bring better prices. In the same spacious compartments there is room for family supplies, bought in larger quantities at substantial savings. Farm-killed meat will be improved with proper hanging. More farm-grown produce can be used at home. Kitchen drudgery and kitchen waste will both disappear.

It has been proved that once-in-a-while refrigeration is not enough. Old-fashioned methods, at best, require constant attention to maintain safe temperatures, and many are not effective at all. The FARM "35" will do away with all spoilage losses, and keep your produce in perfect condition for profitable marketing. For sizes, prices, and easy terms write or telephone the nearest P. G. & E. office or see your Frigidaire dealer.

Social News of San Carlos And Vicinity

SAN CARLOS, June 21.—With Mrs. A. L. Mewhirter as chairman the members of the San Carlos school orchestra motored to Palo Alto on Saturday to enjoy a picnic sponsored by the Parent-Teacher Association.

During the afternoon games were arranged by Mrs. Mewhirter and Arnold Torres, director of the orchestra. Awards were given to Constance Whitmore, Betty Deane Martin, Eileen Lynch, Robert Edling, Edward Potter and Richard Triguerro.

In the group were Maebelle Gordon, Betty Dean Martin, Betty Ann Simpson, Lois Burton, Ruth Cole, Genevieve and Constance Whitmore, Eileen Lynch, Elaine Reishel, Lucille Juds, Dorothy Fodrea, Robert Castagnino, Edward and William Potter, Troval Newhirter, Richard Triguerro, Norman and Edward Burton and Robert Edling. Mrs. N. H. Martin, Mrs. E. R. Burton and Mrs. J. Lynch assisted the chairman in driving the children to the picnic grounds.

Edward Burton and Robert Cahill will leave San Carlos today for the Boy Scout camp at Pescadero. They will be away for two weeks.

Mrs. Harold L. Jones and children, who have been at Ben Lomond with her sister, Mrs. Mae Ritz, returned to San Carlos on Sunday.

At a recent meeting of the women's Association of the Community Church held at the home of Mrs. O. D. Fairfield, Mrs. Jessie Dieckman was elected as president of the group; Mrs. E. J. Crowley, vice-president; Mrs. F. Holt, secretary, and Mrs. O. D. Fairfield, treasurer.

Mr. and Mrs. Howard G. Huntley left Sunday for Lake Tahoe where Mr. Huntley has been assigned on government work. They will be away for three months.

Plans are going ahead for the picnic and barbecue to be given on Sunday in the Devonshire foothills for the benefit of St. Charles parish.

Lunch will be served at 12:30 with Flyod Glennan as "chef."

During the afternoon there will be a real baseball game, a tug-of-war and numerous other attractions.

Miss Barbara Price of Devonshire Hills was the week-end guest of Miss Muriel Russ of San Francisco. Miss Russ, vocalist for Anson Weeks' orchestra, formerly resided in San Carlos.

Mrs. Mary K. Davis is back at her desk again after a trip to Santa Barbara where she attended a postmasters' convention.

Michigan is the leading salt producing state in the United States.

Miss Cawthron Weds Mr. Bruno At Santa Cruz

Miss Doris D. Cawthron, daughter of Mr. and Mrs. George Cawthron of 233 Vera avenue, and Mr. John Bruno of East Palo Alto were united in marriage at a wedding service conducted Saturday evening in the First Congregational Church of Santa Cruz by the Rev. C. G. Mahood.

Attending the bride was Miss Mary Seitz of this city. Mr. Lester Williams was best man.

Fifty relatives and friends of the bridal couple were in attendance at a reception yesterday at the East Palo Alto home of the bridegroom's parents, Mr. and Mrs. Joseph Bruno.

Mr. and Mrs. Bruno will reside temporarily at the Cawthron home. Mr. Bruno is in the paving business.

GUESTS VISIT NEWLYWEDS

The bride and bridegroom, Mr. and Mrs. Charles R. McCormick Jr., held open house on Saturday at their new home in Menlo Park, with about fifty guests calling during the afternoon.

'Vodvil Frolic' On Menlo Circus Benefit Program

One of the most amusing and elaborate entertainments ever planned in the bay region is the "Vodvil Frolic" and miniature minstrel show which will be given this Saturday night at the Menlo Circus Club for the benefit of the Stanford Convalescent Home. The vaudeville program will follow the all-day program of athletic events and the pet show in the afternoon.

The well known Spanish dancer, Jose Cansino, with Priscilla Ferry as a partner; Miss Ursula Cole, Miss Adelaide Kelly, Miss Jane Hewlett, Miss Mary Anita Loos, Myron Schall and George Wilson are among those who will offer specialty dancing numbers. Eph Engleman and Lloyd Phillips also have planned a dancing skit. The "Mae West" chorus, with Miss Buelah Dimmitt, the "hotcha tap chorus" of eight girls, and a sentimental number with the same eight girls are being trained by Terry Brickley, who also will appear in one or two numbers.

Ushering one of the big numbers of the evening, called "Las Lapitias" (Ladies of Guadalajara), Larry Lansburgh and Miss Loos will engage in a Mexican act, followed by Clotilde, Berta and Elena Lindeman and Mrs. Emilia Lindeman Rathbun (four sisters) in a series of Mexican folk songs.

Others in the follies cast will be:

Mrs. E. E. Converse, Misses Katrina Wallingford, Marion Hewlett, Barbara Collins, Maxine Yaple; Messrs. Gordon Steedman, Joe Thompson, Paul Speegle, James Sandoe.

Eminel Halstead of San Francisco is designing the costumes, and much of the skit continuity has been written by Waldo Salt of Menlo Park.

Two teams will race in the skating relay. On the San Francisco team will be Misses Lovey Fay, Ruth Woolsey, Marion Hewlett and Claire Zweig, who is captain. Racing for the peninsula will be Miss Marion Casey, the captain, and the Misses Betty McCann, Jean Fay and Frances Mein.

The pet show, which will start at 2 p. m., will bring out a number of queer beasts. Robert Odell Jr. will show his kangaroo; Miss Florence Douglas, a monkey; Miss Sally Fay, a monkey; Miss Peggy Casey, ducks, and Miss Bubbles Smith, a parrot.

Others who have entered dogs, cats, horses or ponies are:

Misses Eleanor Speyer, Joan Weir, Anne Threlkeld, Gloria Rabitaille, Beverly Nickel, Mary Nickel, Mary Palmer, Nancy Fay, Carol Lansburgh, Harriet Meyer, Peggy Fiske, Elizabeth Gerrard, Patricia Law.

Messrs. Jack Schwabacher, George Payne, Michael Schilling, Peter Avenali, David Dibble, Oliver Dibble, Paul Fay Jr., Richard Brooke, Stanley Schaller, James Levensaler, Jack Schwabacher Bob Monroe, George Holden.

Acacia Club Dinner Held

A pot luck dinner, by the members of the Acacia Club of the First Baptist Church, was held in the church parlors Friday evening with a large attendance.

Following the dinner, the regular business meeting was held, with Mrs. Glenn Wildman, president, presiding. It was decided by the club to hold a food sale on Saturday, July 1, with Mrs. Julia Conwell in charge. July 21 was set as the date of the annual picnic for members and their families, with Mr. Fred Johnson as chairman of the committee.

Mr. Chester C. Bradshaw was welcomed as a new member, and Mr. and Mrs. George Woodie of Seattle were visitors.

The remainder of the evening was passed in entertainment supplied by Mrs. Fern Brown and Mrs. Julia Conwell.

CARRINGTONS PLAN TRIP TO SOUTHERN CALIF.

Mr. and Mrs. Otis M. Carrington are planning a trip to Southern California in observance of their 25th wedding anniversary, which takes place Saturday. With the return from the College of the Pacific at Stockton of Miss Carol Carrington, who was graduated, and of Miss Rosalie Carrington, the family is observing a reunion this week. Mr. and Mrs. Carrington are leaving Tuesday following the election and will visit in Orange and Pasadena with Mrs. Carrington's sisters, the Misses Sophie and Hattie Nobs.

INVITATIONS OUT FOR FIREMEN'S DANCE

Invitations to the dance to be given Friday at 8:30 p. m. in the central firehouse auditorium by the Redwood City Volunteer Fire Department are being distributed by members today.

Because of the limited size of the auditorium, it has been found necessary to issue invitations, which may be secured from members of the department or at the Middlefield road firehouse, according to Chairman Eugene Plecq. Admission is to cost 25 cents each.

SAN CARLOS PEOPLE TO ATTEND FAIR

The Misses Henrietta, Elisabeth and Marie Hillefeld, accompanied by Mrs. Henrietta Mahnchen, are leaving San Carlos this week for Chicago where they will attend the Century of Progress fair. They will return to the Peninsula in July.

SERVICE CLUBMEN VISIT ALUM ROCK

Twelve members of the Redwood City Lions Club Saturday night attended a meeting of the Peninsula Council of Lions Clubs at the Lions Den, at Alum Rock, near San Jose. The San Jose Lions Club was host at the affair which was attended by more than 250 members of the council. Clubs from Monterey, Santa Cruz, Sunnyvale, Palo Alto, Redwood City, Half Moon Bay and Burlingame were represented.

District Governor Ira B. Langdon of Stockton was the principal speaker of the evening. W. B. Curran of Redwood City, president of the council, presided. Norman S. Menifee, secretary-treasurer, also of Redwood City, spoke briefly regarding the convention to be held this week-end at Santa Barbara.

INDIAN CHIEF TO TALK TO BOYS

Chief Clear Sky, head of the Iroquois Indians of the United States and Canada, will speak at 6:15 Friday in the Episcopal parish house in Palo Alto (Hamilton avenue near Waverley), at a dinner to be given by the Young Men's Christian Association. Fathers are welcome. Redwood City boys are invited. Dinner will cost 25 cents. Each boy will receive a token from the chief.

Mr. Roy Hohberger, Y.M.C.A. secretary, is in charge of the arrangements.

GUEST DEPARTS FOR SAN JOSE

Miss Vesta Blyther, who has been spending several days as the guest of Miss Carol Yearian, has returned to her home in San Jose.

MRS. IDA THOMPSON TO BE HOSTESS

Mrs. Ida Thompson, president of the Gen. George S. Evans Relief Corps, will be hostess to members of the pioneer club of the corps following the regular meeting Friday at 2:30 p. m. in Odd Fellows' Hall. There are 17 pioneers who have been members of the corps 25 years or more. A program will be given and refreshments will be served.

Outside Laundries Lose Fight in S. M.

SAN MATEO, June 20.—Outside laundries and cleaning plants lost a vigorous fight here last night against proposed increases in city license fees.

The council overrode the protests and boosted the laundry tax from $25 to $100 for laundries not having local branches, and from $15 to $60 for those that have.

Dyeing plant licenses were boosted from $20 to $80, and from $10 to $40 for those who maintain local offices.

Man's Story of Fall Over Cliff Probed

SAN MATEO, June 19.—Thomas E. Smith, 55, of 141 Eddy street, San Francisco, an unemployed cook, told police here today that two men hurled him over a cliff at Coyote Point.

Police, in the absence of bruises on the man's body, were skeptical, and expressed a belief Smith might have jumped into the water in an attempted suicide.

He was found wandering along the highway by E. A. Bowen, 27 North Bayshore boulevard, who took him to the Mills hospital.
